Certificate

Patent No. 7,026,484 B2

Patented: April 11, 2006

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Lin Zhi, San Diego, CA (US); and Cornelis Arjan Van Oeveren, San Diego, CA (US).

Signed and Sealed this Twenty-Ninth Day of September 2009.
